Subject: DEP # 164-902 / WP #735 – Enforcement Order  
Meadow Lane culvert (Assessor's Map 45, Lot 71)

**PLANNING BOARD  
GRAFTON, MA**

To Whom It May Concern:

It has come to the attention of the Grafton Conservation Commission that violations of the Massachusetts Wetlands Protection Act and Grafton Wetlands Protection Bylaw have occurred on property located on Meadow Lane. Enclosed, please find Enforcement Orders.

Pursuant to a site inspection performed on July 27, 2016, I observed that work had been undertaken within a wetland resource area in violation of the approved plans and existing Order of Conditions. In addition, vegetation has been cleared to accommodate an unapproved construction staging area located within designated open space that is under the protection of a recorded Conservation Restriction.

You are ordered to cease and desist from all activity within resource areas, buffer zones and designated open space. The Conservation Commission will discuss this issue at its next regularly scheduled meeting on August 16<sup>th</sup>, 2016 at 7:00pm. We strongly recommend that you attend this meeting with representation.

Should you have any questions or need additional information, please contact the Conservation Office at 508-839-5335 ext. 1138. Thank you for your prompt attention to this matter.

For the Grafton Conservation Commission,

Maria Mast  
Conservation Agent
